**Volunteer Impact** invites you to join our 7th annual Dr. Seuss Birthday Party March 1, 2 and 3, from 9:00 to 11:30 a.m. This literacy project is designed to bring the excitement of reading to pre-school children at Head Start programs throughout the Tri-County area. Volunteers are asked to bring a new book to read one-on-one to a child, and present the book to the child to take home.

This is an annual signature event for **Volunteer Impact**, and one of the year's most anticipated by past volunteers.

Plan to attend with your school groups, work associates, friends, and club members at Volunteer Impact's annual Dr. Seuss' Birthday literacy parties given in conjunction with the National Education Association and READACROSSAMERICADAY!

"The research is clear: children who are read to, and who read for pleasure, are significantly more successful in school than children who do not." from the NEA website: [www.nea.org/readacross](http://www.nea.org/readacross)

Activities include reading to children, doing a craft project, providing a snack and juice, and giving each child a book to keep. Book donations (new, children's books) can be dropped off at the VI office or can be picked up depending on your location.

**Volunteer:** We invite corporate teams, youth groups, school groups, individuals,

and even good-hearted grinchies to partake. Most events are on Friday, March 3. Please consult our online calendar for a list of sites. Individuals may sign up online. Groups should contact our office.

**Collect Books:** VI is collecting pre-school books to give to Head Start Children throughout the Metropolitan Detroit Area. This is a great project for office groups, school clubs, and church groups.

**Be a Project Coordinator:** We still need project coordinators for three of the locations. We're getting PCs in place right now so volunteers can contact the PC directly to sign up, and PC packets are ready to go out. Please call or e-mail Karen Hanson if you are interested in being a project coordinator for a site. We will provide you with all the materials you will need.

# Opportunity Knocks

**Nancy Welber Barr**

You've just taken a buyout from one of the auto companies. You are spending a lot of time looking for your next job or thinking about your next step in life. Take a break and volunteer.

Volunteering has many benefits for you. First, if you've been spending a lot of time at home, it will get you out of the house. That's important for all of us during this season of cabin fever. It will also make you realize how fortunate you really are when you are at the Genesis II shelter or building a home with Habitat for Humanity.

Second, you meet lots of interesting people when you volunteer. Volunteer Impact volunteers come from all walks of life and from all over Metro Detroit. It's almost impossible to come to a VI event without meeting someone new.

Networking is what it's all about when you're looking for a new job or starting a new business. You can even meet your spouse at a VI project (ask one of our former presidents – he did).

Finally, you can also pick up new skills, discover new interests that can help you find a job or lead you in a new direction. You can rediscover skills and interests that you left behind when you started working so hard at your old job.

Come, volunteer with us. Not only will you help others, but you may just help yourself.

## Summer Camp Counselors Needed

The Muscular Dystrophy Association (MDA) is recruiting volunteer counselors for its annual summer camp being held at the YWCA Camp Cavell in Lexington, Mich, from June 18-23 or June 24-30.

We service children ages six to 21 with neuromuscular diseases from all over metro-detroit. It is a free week-long camping program designed to give these special children an amazing and unforgettable experience. It is also a life-changing experience for the volunteers.

Please contact me at: Julie Campbell Health Care Service Coordinator Muscular Dystrophy Association 5860 N Canton Center Rd. #362 Canton, MI 48187 Phone: (734) 416-7076 Fax: (734) 416-8089 jcampbell@mdausa.org.

## Volunteer Assistant Needed for Pontiac Students

*Request for school volunteer  
for semester or school year*

Madison Middle School in Pontiac is looking for a volunteer 18 years or older for 1 1/2 hours per school day to help special education students. Responsibilities would entail assisting students in the lunchroom with their trays and opening of containers, as well as helping out in the classroom while the teacher and student teacher change a few of the students. At this time, the volunteer could read a story to the children or some other activity to engage the students. No physical work or lifting is necessary. Background check is required. For more information, please contact, Susan Lathers, Special Education Department Head, 248-451-8010

# Tax Volunteers

*Help low-income people get the tax refunds and tax credits they deserve*

Want to broaden your experience, contribute to community and boost the bottom line of low-income families, seniors and others in need? Become a tax volunteer for Accounting Aid Society.

Volunteers are needed February through mid-April 2007 to prepare personal income tax returns and tax credits for low-income neighbors in southeast Michigan. Tax refunds and credits can help people on the edge of poverty meet their immediate household needs such as food, utilities and rent, and in many cases, build assets such as saving for school or homeownership.

Accounting Aid Society will provide tax-training workshops in January. Volunteers can register online for their choice of workshops, and can then volunteer at their choice of 30 tax locations operated by Accounting Aid in Wayne, Oakland, Macomb and

Livingston counties. Weekday, weeknight and weekend volunteers are needed.

You don't need an accounting background to become a tax volunteer. All you need is a willingness to complete Accounting Aid's tax training, have basic computer skills and a desire to make a real difference in the lives of low-income neighbors. Volunteers range from college students to retirees. Work colleagues or groups of friends and associates can also volunteer together as a team and "adopt" a tax site.

To volunteer with Accounting Aid Society, celebrating its 35th year of service in 2007, go to <http://www.accountingaidsociety.org> or call (313) 647-9620.

**Thank You, Thank You, Thank You** to all those who helped make this year's Adopt a Shelter one of our best yet! From COTS, to Doorstep West, to Genesis I, II and III, Peggy's Place, the Booth Evangeline Center, the Amelia Agnes Transitional, the First Step Domestic Violence Shelter and the Wayne County Family Center, this December we had dozens of volunteers join us to create a wonderful day for hundreds of homeless children and their parents.

Between VI's Adopt-a-Shelter parties and Mitch Albom's Time to Help held a week later, our volunteers brought pizza, pita, orange juice bagels, donuts, cake, crafts dancing, manicures, music, comraderie and fun to so many who almost never experience such wonders.

In addition to all the wonderful volunteers, room captains and site captains, VI would like to extend a special thank you to those who donated that wonderful food!
